Don’t overcrowd Hayhurst.

PPS’s closure plan keeps Hayhurst open, but art, music and special-ed rooms become classrooms, classes grow to ~29 kids, and 1 in 5 of our kids move to Rieke.

WHO MOVES IN AND OUT OF HAYHURST

HAYHURST ENROLLMENT UNDER THE PLAN

We’ve been here before. In 2016, at 499 students, PPS moved Odyssey out to fix “Hayhurst Elementary School overcrowding.”

WHAT WE LOSE TO MAKE ROOM

6 of 10 rooms that support our kids become classrooms

Our kids lose space for SES, sensory, cool-down, the Learning Center, OT, speech, counseling, music and art, and still end up in classes of ~29.

Hayhurst works. Don’t overfill it, and don’t fracture our community.
